TEE TIMES GOES WORLDWIDE

Everyone's favorite waste of paper has become environmental friendly as the official newsletter of Gypsy Tours International goes live onto the web. From its inception in 1998 TEE TIMES has kept GTI touring pros abreast (calm down guys) of all of the happenings around the league. The new expansion of GYPSY TOURS INTERNATIONAL made it impossible to create issues for every chapter, so it was decided to put it out as a paper for all chapters. Any chapter may put an article into the paper simply by sending the story, picture, or whatever to the Commissioner. Watch for details on this and other items in future issues coming soon.

Tentatively set for Geneva Country Club the banquet will give out awards to the 2003 Chapter Champion, runner up, as well as all of the stats winners. The Salt City Chapter is planning to join us for the evening and will give out their awards at the same time. The actual date for the event cannot be confirmed until GCC opens up again from their annual January shutdown. Watch the mail for the formal invitation. Spouses and guests of GTI pros are also invited.

GTI COMMISSIONER LOOKING FOR NEW (er...old) LEADERS AS CHAPTER PRESIDENTS

In the never ending tradition of not letting truth get in the way of a good story, TEE TIMES has announced that Commissioner Bill Whitwell met with a man in Washington who is looking to open a Washington chapter of GTI. Mr. Whitwell said that the man seemed nice, but also doubted that he was the kind of man to get things done. " I know that George means well; but what has he ever done in his life?" the commissioner said. " Being a chapter president is quite a stressful job, and I am not sure that he would be able to handle the pressures " Whitwell added.
